a the set generally please note that the following description applies to both volumes in the 2010 yearbook not solely to volume ii the global community yearbook is a one stop resource for all researchers studying international law generally or international criminal tribunals specifically the global community yearbook appears annually in two volume editions of carefully chosen primary source material and corresponding expert commentary the general editor professor giuliana ziccardi capaldo employs her vast expertise in international law to select excerpts from important court opinions and also to choose experts from around the world who contribute essay guides to illuminate those cases although the main focus is recent case law from the major international tribunals and regional courts the first volume of each year s edition always features expert articles by renowned scholars who address broader themes in international law themes that appear throughout the case law of the many courts covered by the series as a whole b this particular edition 2010 beginning with the 2010 edition the yearbook will include the new section forum jurisprudential cross fertilization an annual overview this section aims to compare and analyze the interconnections between the decisions of international courts and tribunals as a way of exploring and examining judicial dialogue and the development of common legal principles and concepts in all branches of international law the yearbook is the first academic journal to present an annual overview of the process of jurisprudential cross fertilization between the courts based on the drafting and systematic classification of legal maxims i e points of law decided by various international courts in the section entitled decisions of international courts and tribunals a comprehensive and complete survey by eminent international law scholars exploring evaluating and documenting this process has the potential to enhance our contribution and thus further guide our understanding of how to reduce conflicts and create an effective exchange of legal reasoning between different courts the aim is to promote a favorable environment for the courts to advance the process of judicial cooperation with a view to the possible harmonization of legal principles governing the global community c individual volumes volume 1 the 2010 edition of the global community yearbook presents three categories of material wholly beneficial to any international law researcher international tribunals court opinions excerpted with scholarly skill by general editor giuliana ziccardi capaldo expert guidance on those cases in the form of commentary by globally recognized luminaries whom ziccardi has chosen

personally and more broadly focused introductory essays by similarly prominent scholars whom ziccardi has also selected for that purpose in the introductory essays those scholars take on current topics such as global intellectual property law and policy the nature of international law and human development and the legal political connotation of material support to terrorism these incisive and knowledgeable introductory articles help frame the debates currently raging in international law before this edition leads the reader on to expert commentary on the noteworthy cases from this past year s dockets of the following tribunals the international court of justice the international tribunal for the law of the sea wto dispute settlement system international criminal court international criminal tribunal for the former yugoslavia international criminal tribunal for rwanda court of justice of the european union ziccardi has arranged the sections of this volume according to that list of tribunals and she has included a short targeted index for each of those sections making any research in this volume efficient and fruitful the 2010 edition of the global community yearbook also gives researchers an illuminating tour through the varied and dynamic law of regional and organizational courts in the court opinion excerpts and expert commentary that fill this volume researchers will find detailed guidance on a rich diversity of legal topics on these questions and a host of others this volume provides to students scholars and practitioners alike a valuable combination of expert discussion and direct quotes from the court opinions to which that discussion relates the courts covered in this edition include the court of justice the european court of human rights inter american court of human rights international centre for the settlement of investment disputes

this handbook offers students and researchers a compact introduction to the nineteenth century american novel in the light of current debates theoretical concepts and critical methodologies the volume turns to the nineteenth century as a formative era in american literary history a time that saw both the rise of the novel as a genre and the emergence of an independent confident american culture a broad range of concise essays by european and american scholars demonstrates how some of america s most well known and influential novels responded to and participated in the radical transformations that characterized american culture between the early republic and the age of imperial expansion part i consists of 7 systematic essays on key historical and critical frameworks including debates about race and citizenship transnationalism environmentalism and print culture as well as sentimentalism romance and the gothic realism and naturalism part ii provides 22 essays on individual novels each combining an introduction to relevant cultural contexts with a fresh close reading and the discussion of critical perspectives shaped by literary and cultural theory

this volume based on a workshop by the msri offers an overview of the state of the art in many areas of algebraic geometry
